*3 Wilderness area boundaries cross state lines and are counted toward a state total, but not in the BLM total.

**National Scenic and Historic Trails cross state lines - There are a total of 10 National Historic Trails and 2 National Scenic Trails in the National Trails System administered by BLM

Acreage figures for the NLCS as a whole are not autonomous. There are significant overlaps between the designated units of the NLCS (i.e. there are Wild and Scenic Rivers within Wilderness within the Steens Cooperative Management and Protection Area in Oregon. NLCS National Office is wor
